A 3-Lesson Bible Study

God's mission. It's a concept that's tossed around in certain circles, but one that might prove hard to define. But it shouldn't be. In fact, all of Scripture speaks to His mission. What is God's mission? It's God's plan to redeem humankind from the effects of sin, demonstrated as He interjects His will throughout history and in the lives of humankind. Put simply, God's mission is rescue. It is recovery.

God's Mission, one of the studies in the **elements** line of Bible study curriculum, will help your students see that God has been at work throughout history making a way for people to be saved from the effects of sin; that Jesus was the Rescuer God had been promising for centuries; and that there will come a day when God has accomplished His rescue mission and all Believers will live forever in peace with God.
